

## FAST TRACK

It's not every day a kid gets a chance to become a star of the show, unless of course he or she is at the Kids Pedal Tractor Pull Competitions. Kids from four to twelve are welcome to be in the show for free and compete in a fast paced, action packed event! Each tractor has been modified for heavy pulling and is attached to a weight transfer sled. The sled is filled with an amount of weight determined by the age of each participant.
