

Providing free fun activities for kids of all ages.

Valley Voices

Since forming in the spring of 2012 as the Sparrow Singers, the Valley Voice choir has sung at community events where over \$15,000 have been raised for non-profit charitable organizations.

The ensemble is the only non-audition mixed community choir in the lower Kittitas County. Choir members range in age from high school students to senior citizens. All who enjoy singing are welcome to join.
