## ELLENSBURG COMMUNITY

## BIG BAND

The Ellensburg Big Band is a 19 member Swing Jazz Band in the tradition of the wonderful dance bands of the 1940's and 50's, with the mission of providing great live swing music for the entertainment, education, and enjoyment of the

community. Featuring classic music from the Glen Miller and Count Basie Bands, Ellensburg Big Band also plays a wide variety of jazz standards and modern styles. The musicians represent a real cross section of the community, including college students, music educators, and a colorful bunch of local professionals (judge, doctor, lawyer, engineer, disability care provider, retired fireman) all of whom treasure the opportunity to make terrific music together.
