

YAKAMA INDIAN DANCERS

Experience America's native culture through singing and interpretive dance as Yakama Indian Nation takes us back to the tradition of their Native Tribe. Come visit them all five days of the fair as they set up tepee north of the Western Village on 8th Avenue. All those who are interested beyond the performance are encouraged to pay visit as games and other displays of cultural heritage are to be found.

NA PUA NANI

Experience exquisite rhythmic movements of the dances of Hawaii, Tahiti, Samurai, and Maori. Enjoy the show Saturday at 6:00pm on Stage 2!
