

UNITY CENTER OF DANCE

Unity Center of Dance is a dance program for the youth of Kittitas County ages 6-18. Founded in 2010, this program has expanded from one team with four dancers to three age groups with a Performance Team and Competitive Team. The teams perform and fundraise at various events locally and compete, with great success, in Washington State, Idaho, California, and this coming season either Florida or Hawaii!

Director Samantha Grover strives to make sure this program not only teaches dance, but to teach confidence, self-worth, responsibility, work ethic, teamwork, and respect for others and self. All those who are involved, from Samantha Grover to parents, volunteer all their time and resources from choreography to costuming. Performing Saturday on stage 2.
