OWN A PIECE OF THE KITTITAS COUNTY FAIR...

BUY A BRICK

You've ridden the Tilt-A-Whirl and counted flips on the Zipper. You've enjoyed CMA barbeque sandwiches and Fischer Fair scones. You've entered your grandma's strawberry preserves and your homegrown tomatoes in Fair exhibits. You've shown your prize steer, and you may have even attempted to win the Greased Pole competition. Now you can cast those memories in a memorial brick in the new 4-H courtyard, adjacent to the Bloom Pavilion, that celebrates 122 years of the Kittitas County Fair.

In 2008, Friends of the Kittitas County Fair Grounds Foundations and Kittitas County constructed a 4-H paved courtyard on the grounds of the Kittitas County Fair. The courtyard design includes pavers and brushed cement, with an inter-circular area paved in the shape of the National 4-H emblem. In 2007, "Petunia" our life-size 4-H bronze pig sculpture was created by local artist Paul Crites.

Both projects honor the traditions of the 4-H clubs in the Kittitas Valley, increase awareness of its programs, and celebrate the support of local participants and supporters who contribute to the success of the Kittitas County Fair and Kittitas County community.

How can you play a part in celebrating the 122 year history of the Kittitas County Fair? Simply make a \$100 contribution and dedicate a commemorative brick in the name of an individual, business or special occasion. The brick will be mounted with a plaque inscribed with your dedication or message and become part of the border around the 4-H clover. The plaque has space for your inscription: 3 lines of 18 characters per line, including punctuation and spaces. Please use only one form for each brick purchased.

All brick proceeds go towards the funding of this project and future capital improvement projects at the Kittitas County Fairgrounds. Your contribution celebrates the rich culture, rural history, and community spirit of Kittitas County residents. More importantly, your contribution recognizes the commitment, participation, and dedication of 4-H kids to their projects, animals, and way of life.
