All vendors must be in place, and ready for business no later than 10:00am Thursday, the first day of Fair. All booth personnel must work within the boundaries of their booth space.

All Commercial Vendors and Concessionaires shall open their booths on time and remain open until the specified closing time each day. At Fair closing times, for the security and protection of ALL Vendor merchandise, ALL buildings will be cleared immediately so they can be secured. Security personnel will not admit anyone into the buildings after they are closed. **THIS WILL BE STRICTLY ENFORCED.** Also after closing time, outdoor Vendors may come onto the grounds to restock or remove valuables from their booths. Remember, the 7th avenue Vendor Gate is the entrance and exit to grounds. **Booths may not be dismantled or moved prior to 6:00pm on Monday, last day of Fair. NO EXCEPTIONS.**

Contract

Every individual and company doing business on the Fairgrounds during the Kittitas County Fair must have a written signed contract with Kittitas County relative to that activity.

In signing your Vendor contract, you agree to comply with all guidelines in this Handbook. All such rules listed are part of that contract.

Kittitas County reserves the right to cancel all contracts of whatever kind by public notice, should an act of providence such as war, riot, fire, flood, storm and/or pestilence, prevent the holding of a Fair.

The Vendor's contract, whether Commercial or Concession, is specifically between the listed Vendor and Kittitas County.

It may not be assigned, sublet, or seized by attachment of execution, or in any manner transferred to any other person, firm, or entity, either voluntarily or involuntarily. If this occurred, it would be considered a breach of contract and Kittitas County would terminate the Vendor's contract immediately and the Vendor would not be granted any further contracts by Kittitas County.

ALL contracts, business licenses, and any other required forms are due in the Kittitas County Fair Office NO LATER THAN August 12th or as noted on such documents. Temporary Food Service Permits are due in the Health Department by August 16, 2017.

Kittitas County reserves the right to re-sell any unoccupied space at 8:00am, Wednesday, prior to opening day of Fair.

Insurance

Kittitas County requires ALL Vendors to have a Commercial General Liability Coverage Policy with limits of \$1,000,000.00 and shall furnish the Kittitas County Fair with a certificate of said insurance showing Kittitas County, the County of Kittitas, and its agents, officers, employees, and volunteers and assigns, as named

additionally insured for the dates of contracted usage. Make sure the dates are correct before sending a copy of insurance to the Fair Office.

Vendor packets/passes will be released only if a copy of the vendor's insurance policy has been turned into the Fair Office. Set up will not be permitted if insurance is not provided and on record with Fair office.

INSURANCE DEADLINE: August 11th

Any contracted Vendor who has not fulfilled all insurance requirements by August 11th will not be allowed to participate and all fees paid will be forfeited to the Kittitas County Fair. This includes non-profit vendors, informational vendors, and those vendors who are not selling actual product but are in fact soliciting future business through vending at the Fair. Once insurance is paid for, a certificate has been issued, and the Fair Office has received an approved copy, exhibitor packets will be released and vendor will be allowed to set up. If you have any questions, and/or concerns, please contact the Fair office at 509-962-7639 or FAX 509-962-7010 or Email fairgrounds@co.kittitas.wa.us.

Kittitas County reserves the right to reject any Certificate of Insurance or other evidence of coverage if, in their sole opinion, such coverage does not meet their standards, comply with insurance requirements, or fails to provide adequate protection.

Arrival/Check-in

Upon arriving at the Kittitas County Fairgrounds for setup, please report to the Fair Office (the exact location is shown on Fairgrounds map), to pick up your Vendor passes and verify your location.

Please **do not** attempt to locate your space first, because leaving your vehicle unattended causes congestion and problems!

Beginning Set-Up Day

Concessionaires.....Monday, August 29th8:00am

Commercial.....Tuesday, August 30th8:00am

PLEASE DO NOT SET UP YOUR BOOTH PRIOR TO YOUR SCHEDULED DAY.

Booths

All Vendors shall provide an acceptable booth to house their display, and are responsible for furnishing all materials for erecting/constructing the booth. All materials and decorations for the booth must be flameproof. All booths shall have skirting-either wood or another suitable material-which will conceal boxes and other storage containers. No supplies or other material will be stored where it is visible to the public.

Canopies are highly recommended for outside booths, however, the Ellensburg wind can gust up to 30-40 mph at times throughout the summer. Please make sure your booth is securely tied and/or weighted down.

A Vendor may only occupy a booth space that has been assigned by the Kittitas County Fair Administration, Fair Board Director of Commercial Booths, or the Superintendent of Commercial Booths. Moving from one location to another may only be approved by the Fair Director in charge of vendors and/or Fair Administration.

The Kittitas County Fair Board Director in charge of vendors reserves the right to determine the final location of any Vendor.

Security

Kittitas County employs security, traffic directors, and other personnel to protect property on the grounds and assure safety of persons. **Kittitas County, its agents and officers, and employees cannot and will not accept responsibility and/or liability for any damage or injury resulting from theft, fire, mysterious**

disappearance, the elements, accidents or other conditions or causes, whether to exhibits, property of vendors, vehicles on the grounds, an/or articles left therein.

There will be 24-hour security provided. Although security personnel are assigned to provide security and watch for suspicious behavior, they are unable to watch over each individual vendor's booth(s).

If a Vendor is concerned about their merchandise, it is recommended that they staff their booths when the grounds are open to exhibitors in the mornings for restocking and remain in their booths until the grounds have been cleared of the public in the evenings.

Kittitas County, its agents and officers, and employees assume no responsibility for damage or lost articles/materials in the booths. If you have anything in your display that could be easily carried away, we suggest you take it with you when you leave each evening.

City of Ellensburg Business License

If the Vendor is involved in either direct or indirect sales, it is agreed that they will purchase a temporary City of Ellensburg business license at the cost of Ten Dollars (\$10.00). **This license is purchased through the Fair Office and must be paid by the financial deadline before May 12th,** *include this in your check payable to Kittitas County Fair. PLEASE do NOT write a separate check to the city.*

Litter

ALL VENDORS shall keep a neat and orderly booth area and will police for litter and garbage twenty (20) feet in front and ten (10) feet to the side of the leased booth space. The Vendor agrees to provide adequate garbage containers with lids and shall dump the garbage in the pickup stations that may be provided by the Kittitas County Fairgrounds. At the end of the term, the Vendor will leave the area, previously described, clean of all refuse and materials.

Vendors who do not adequately remove refuse and materials are subject to a minimum charge of fifty dollars (\$50.00). Failure to adequately clean up their area may also result in the Vendor not being permitted to return to the Fair.

Soliciting Funds and Sales:

County Ordinance #5.28.030 - No person on the Kittitas County Fairgrounds shall solicit funds or offer any merchandise or services for sale, unless they have been authorized, contracted and licensed as a Vendor or Concessionaire with the Kittitas County Fair. Penalty for violation of this code is a fine of not more than Two Hundred Fifty Dollars (\$250.00) and a term in jail not exceeding thirty (30) days.

Guard Against Extortion

Kittitas County will use every precaution to guard against extortion, in any form, practiced upon vendors or patrons of the Fair. A violation of this rule will cause forfeiture of all contract money paid and/or expulsion from the grounds as the Kittitas County Fair Director may deem appropriate. All Vendors and Concessionaires shall comply with the laws, rules, and regulations of any government agency controlling businesses.

Merchandise

All Commercial Vendors and Concessionaires, when granted the privilege to display and sell merchandise may only do so as stipulated by conditions agreed to in a validated contract.

Only those items listed in the contract may be sold from the assigned space.

If items have not been approved and added to the current contract by Fair Administration before Fair, the Vendor and/or Concessionaire will not be allowed to sell them. Be thorough when making your list of items.

No gas balloons or similar novelties may be given away without approval from the Fair Administration or Fair Director of Vendors.

Commercial Vendors will not be permitted to give away food or drink, except in the form of samples, as means of promoting a product being sold by the Vendor. Only those sample items listed in the contract may be given away as samples.

Objectionable Products and Demonstrations

Kittitas County takes pride in hosting a quality family event. Kittitas County does not deem acceptable the display, promotion, sale or use of alcohol or illegal drugs, or related paraphernalia. These items include, but are not limited to: any item that could be considered a weapon; lasers and/or laser items, marijuana tee-shirts and/or signage, jewelry, stickers, etc.; roach clips, bongos, hash pipes; or any offensive material such as that which may be sexually suggestive or explicit. **No lighters or knives sold to minors.** Vendors will be held responsible to be sure minors are not allowed to purchase lighters or knives.

The Kittitas County Fair Board Director(s) of Vendors and/or Fair Administration shall be the sole judge of what is vulgar, offensive, or obscene and their judgment shall be final.

Kittitas County reserves the right to require removal of any materials and/or prohibit any demonstrations it deems inappropriate or offensive to public health, safety, or morals.

Entrance Passes - Commercial Vendors

Each Merchandise Vendor shall receive worker's season passes for each separate booth location. The number of passes is determined by the cost of the booth rental. **Each booth is entitled one season pass per \$100.00 booth rent, with a maximum of six (6) season passes.** Each season pass can be exchanged for five (5) one (1) day passes if the Vendor prefers.

Additional passes may be purchased from the Fair office at \$25.00 per season pass wrist band (or 5 one-day passes).

It is the responsibility of the vendor to distribute passes to all workers before first day of Fair. No one will be allowed to enter the Fairgrounds without a pass, NO EXCEPTIONS, so be sure all workers have their pass(s) before Fair begins. No vendor passes will be kept at "will call".

The vendor agrees that they will not sell, reissue, exchange, barter, or permit their employees to sell, exchange, or barter any privilege ticket, admission ticket, or credential to the Fairgrounds issued to said vendor. These credentials are intended for people who will be staffing the vendor's space and are not for the use of customers or friends. Tickets distributed to vendors are recorded by number and can be traced to specific vendors. **A violation of this rule will cause the forfeiture of the contract, monies paid, and/or expulsion from the Fairgrounds.**

Entrance Passes - Concessionaires

Entry Passes will be assigned to each Concessionaire after completed contract review. Each Concessionaire booth is entitled to six (6) season passes, at a minimum.

Concessionaires may request additional passes, up to a limit based on last year's receipts, at no extra charge. Please email the office at fairgrounds@co.kittitas.wa.us to get information about the number allotted for your specific concession. **To request additional passes within your allotment, provide a list of staff and schedule no later than August 22.**

Additional passes, beyond the allotment, may be purchased from the Fair office at \$25.00 per season pass wrist band (or 5 one-day passes). This fee amount can be added to the balance due at the end of Fair.

It is the responsibility of the vendor to distribute passes to all workers before first day of Fair. No one will be allowed to enter the Fairgrounds without a pass, NO EXCEPTIONS, so be sure all workers have their pass(s) before Fair begins. No vendor passes will be kept at "will call".

The vendor agrees that they will not sell, reissue, exchange, barter, or permit their employees to sell, exchange, or barter any privilege ticket, admission ticket, or credential to the Fairgrounds issued to said vendor. These credentials are intended for people who will be staffing the vendor's space and are not for the use of customers or friends. Tickets distributed to vendors are recorded by number and can be traced to specific vendors. **A violation of this rule will cause the forfeiture of the contract, monies paid, and/or expulsion from the Fairgrounds.**

Gate Admittance / Re-Stocking / Parking

Commercial Vendors and Concessionaires with vehicles will be allowed to enter through the **7th Ave/Poplar Vendor Gate** to restock their booths from 7am to 9am (7am to 9:45am for Concessionaires), or after 10pm during the five days of Fair. **No vehicles will be allowed through the gate after 9:45am, except emergency vehicles.**

When out of your vehicle during restocking, please put your name, cell number, plus the location where you can be found in the window of your vehicle in case of an emergency and your vehicle needs to be moved immediately. We would not want to have your vehicle towed away due to not being able to contact you first.

DO NOT park in front of doorways or in vehicle traffic lanes or your vehicle will be towed. We would appreciate it if you unload your vehicle quickly and get your vehicles off the grounds as soon as possible. Vehicles must be off the grounds by 9am, except Concessionaires and they must be off grounds no later than 9:45am.

No one shall be allowed to solicit or distribute any materials in aisles or while roving on the Fairgrounds.

Placing advertising material on or in automobiles on Kittitas County property is prohibited. Anyone violating this rule is subject to removal from the Fairgrounds, and forfeiting all contract monies paid.

No person and/or vendor shall display any form of political advertising and/or disseminate political propaganda unless their individual contract permits such a privilege.

Vendors and/or persons cannot solicit outside their allotted space as described in their contract.

Advertising of candidates for office may only take place in a booth contracted for that purpose with the Fair.

If you request to offer something other than Coke products and it does not compare and/or compete with any of the products that Coke provides, it must be approved by Fair Board Director in charge, and **MUST** be listed on your contract with the Kittitas County Fair.

We will post updates for Vendor Information regularly on our website www.kittitascountyfair.com Check there **FIRST** for a product list. We will make sure that the beverage needs of your customers are met. We will give your contact information to our Beverage Sponsor representative, and they will be in contact with you.

Exclusivity

Kittitas County does not grant product exclusivity to any Vendor participating in the Fair. For the mutual benefit of our Vendors and Fair-going public, we do make every attempt to diversify products by not over-booking similar lines of merchandise. Kittitas County will make the best selection from available applicants. Selection is based on products, presentation, and references.

If you need a longer time frame, please make arrangements with the Fair Office.

Emergency Guidelines

The following is designed as a guide to the proper procedures should an emergency arise during the Kittitas County Fair. Please become familiar with these procedures as your actions may directly influence the outcome of any given situation. In all cases, remember to stay calm and contact the proper official if needed.

Phone System For any Fairgrounds system phone, you must dial 9 first to get an outside line and then the phone number. For the duration of the Fair, many phones are direct-dial to call between buildings. Become familiar with the phone in your building or area for the proper dialing procedure.

To dial 911, you must dial 9-911.

Fire If a fire develops on the Fairgrounds, call 911 or contact the Fair Office at 509-962-7639. Further assistance can be reached at the Fire Hall at 509-962-7279. Each building, barn, and grandstand has fire extinguishers located in visible areas. Please become familiar with their location and use. Remember that smoke and heat are indications of a potential problem. If you suspect a fire, get it checked out. If you become aware of a fire, the first priority is to get the affected areas evacuated. Calm and orderly evacuation will prevent further injury from occurring.

The Fire Department will have an on-site aide office in the old Fair Office located at the 6th Street ticket entrance.

SMOKING IS NOT ALLOWED IN ANY FAIRGROUNDS BUILDING, GRANDSTAND, OR BARN (inside or directly outside).

Medical The Fair will have a First Aid facility in the old Fair Office located at the 6th Street ticket entrance. The First Aid building is staffed 7:00am to 10:00pm each day of the Fair.

If you come upon a medical emergency, call 911 or contact the First Aid Office at 509-962-7654 or the Fair Office at 509-962-7639.

It is important that accurate information is collected at the time of the incident, so stay calm and explain situation clearly.

When reporting an accident, be sure to give the exact location of the problem for the responding personnel. Find a physical focal point to direct them to the emergency area. Just saying near your booth, or near the grandstands or near the stage will not be sufficient direction. Example: Next to Gazebo on the North end or South side of grandstands next to dog arena – In carnival area next to the Zipper on West end of grounds.

Reporting All incidents must be reported to the Fair Office. It is important that accurate information is collected at the time of the incident. Reporting forms are located at the Fair Office and in each building. Please be sure to complete as much information as possible and turn them into the Fair Office immediately.

If you are confronted by non-emergency personnel, (such as the media or private individuals), wanting information about an emergency or calamity, please refer them to the Fair Office for details. It is best to allow the Fair Board of Director in charge of Security to handle these situations.

Animal Rights Groups

Animal Rights Groups have become prevalent in today's society. Most groups are made up of concerned individuals who genuinely care for the condition and safety of animals. However, some groups or individuals are more radical and pursue more drastic and public means to express their message. They may use direct confrontation to create media attention.

If confronted with an individual or group who is associated with an Animal Rights Group, please contact the Fair Office. **The Fair Office has designated the Fair Board of Director in charge of security and/or Fair Board of Directors in charge of livestock & small animals to answer their questions or concerns.**

Under no circumstances, should you allow yourself to be drawn into an argument or physical confrontation with these people.

If you see any suspicious behavior, please contact the Sheriff Hall at 509-962-7008 and/or the Fair Office at 509-962-7639. **The Sheriff Hall will have an aid office in the old Fair Office located at the 6th street ticket entrance.**

They are trained to best handle these situations and must be informed immediately.

When reporting any incidences, stay calm and explain the situation and be sure to give the exact location for the responding personnel. Find a physical focal point to direct them to the area. Just saying "in the cattle barn", or "outside horse barn" will not be sufficient direction. This will allow them to respond immediately to the area in need.
