Contract

- Every individual and company doing business on the fairgrounds during the Kittitas County Fair must have a written signed contract with Kittitas County relative to that activity. In signing your Vendor contract, you agree to comply with all guidelines in this handbook. All such rules listed are part of that contract.
- Kittitas County reserves the right to cancel all contracts of whatever kind by public notice, should an act of providence such as war, riot, fire, flood, storm and/or pestilence, prevent the holding of a fair.
- The vendor's contract, whether commercial or concession, is specifically between the listed vendor and Kittitas County. It may not be assigned, sublet, or seized by attachment of execution, or in any manner transferred to any other person, firm, or entity, either voluntarily or involuntarily. If this occurs, it would be considered a breach of contract and Kittitas County would terminate the contract immediately and the vendor would not be granted any further contracts by Kittitas County.
- **Kittitas County reserves the right to re-sell any unoccupied space at 8:00am, Wednesday, prior to opening day of Fair.**

ALL contracts, business licenses, and any other required forms are due in the Kittitas County Fair Office NO LATER THAN May 28 or as noted on such documents. Temporary Food Service Permits are due to the Kittitas County Health Department by August 15, 2019.

Insurance

Make sure the dates are correct before sending a copy of insurance to the Fair Office.
- Vendor packets/passes will be released only if a copy of the vendor's insurance policy has been turned into the Fair Office. Set up will not be permitted if insurance is not provided and on record with Fair Office.
- **INSURANCE DEADLINE: August 1st**
- Any contracted vendor who has not fulfilled all insurance requirements by the deadline will not be allowed to participate and all fees paid will be forfeited to the Kittitas County Fair. This includes non-profit vendors, informational vendors, and those vendors who are not selling actual product but are in fact soliciting future business through vending at the fair. Once insurance is paid for, a certificate has been issued, and the Fair Office has received an approved copy, vendor packets will be released and vendor will be allowed to set up. If you have any questions or concerns, please contact the Fair Office: PH: 509-962-7639, FAX: 509-962-7010, Email: fairgrounds@co.kittitas.wa.us.
- Kittitas County reserves the right to reject any Certificate of Insurance or other evidence of coverage if, in their sole opinion, such coverage does not meet their standards, comply with insurance requirements, or fails to provide adequate protection.

Emergency Guidelines

- The following is designed as a guide to the proper procedures should an emergency arise during the Kittitas County Fair. Please become familiar with these procedures as your actions may directly influence the outcome of any given situation. In all cases, remember to stay calm and contact the proper official if needed.

- **Fire:** Fire Department will have an on-site aide office in the old Fair Office located at the 6th Avenue ticket entrance. If a fire develops on the fairgrounds, call 911 or contact the Fair Office at 509-962-7639. Further assistance can be reached at the Fire Hall at 509-962-7279.
 - Each building, barn, and grandstand has fire extinguishers located in visible areas. Please become familiar with their location and use.
 - Remember that smoke and heat are indications of a potential problem. If you suspect a fire, get it checked out. If you become aware of a fire, the first priority is to get the affected areas evacuated. Calm and orderly evacuation will prevent further injury from occurring.
 - **Smoking is NOT ALLOWED in any fairgrounds building, grandstands, or barns (inside or directly outside). Smoking areas will be identified on grounds map.**
- **Medical:** The Fair will have a First Aid facility in the Old Fair Office located at the 6th Street ticket entrance. The First Aid building is staffed 7:00am to 10:00pm each day of the Fair.
 - If you come upon a medical emergency, call 911 or contact the first aid office at 509-962-7654 or the Fair Office at 509-962-7639.
 - When reporting an accident, be sure to give the exact location of the problem for the responding personnel. Find a physical focal point to direct them to the emergency area. Just saying near your booth, or near the grandstands or near the stage will not be sufficient direction.
- **Reporting:** All incidents must be reported to the Kittitas County Fair Office. It is important that accurate information is collected at the time of the incident. Reporting forms are located at the office and in each building. Please be sure to complete as much information as possible and turn them in immediately.
 - *If you are confronted by non-emergency personnel, (such as the media or private individuals), wanting information about an emergency or calamity, please refer them to the Fair Office for details. It is best to allow the Fair Board of Director in charge of Security to handle these situations.*

Animal Rights Groups

- Animal Rights Groups have become prevalent in today's society. Most groups are made up of concerned individuals who genuinely care for the condition and safety of animals; however, some groups or individuals are more radical and pursue more drastic and public means to express their message. They may use direct confrontation to create media attention.
- If confronted with an individual or group who is associated with an Animal Rights Group, please contact the Fair Office. The Fair Office has designated the Fair Board Director in charge of security and/or livestock & small animals to answer their questions or concerns.
 - Under no circumstances, should you allow yourself to be drawn into an argument or physical confrontation with these people.
- If you see any suspicious behavior, please contact the Sheriff Hall at 509-962-7008 and/or the Fair Office at 509-962-7639. The Sheriff Hall will have an aid office in the Old Fair Office located at the 6th Avenue ticket entrance.
 - When reporting an incident, stay calm and explain the situation. Be sure to give the exact location for the responding personnel by finding a physical focal point to direct them to the area.
